Attorney Docket No. 9319G-001842-US-NP

Sir:

We have reviewed the above-identified patent and have found an error which appears to require a Certificate of Correction.

Enclosed herewith is the Patent and Trademark Office Certificate of Correction form which we request be approved for the above-identified patent.

Please note that the title should be: "**Projector** Equipped With Ultrasonic Speaker, and Method for Displaying Sound Reproduction Range in Projector", not "**Project** Equipped With Ultrasonic Speaker, and Method for Displaying Sound Reproduction Range in Projector". The correct title was correctly submitted on the Application Data Sheet and Declaration; therefore, the issued patent should have contained the correct title.

Thank you for your consideration to this matter.

Respectfully submitted,
